This is another podcast from one of the many podcasts that I like to listen to. This one is from the I Had to Say It podcast.

Drinking the Kool Aid and Buying the Narrative

This week I am going to talk about something I have touched on before. It seems to be getting worse but people are so smug and secure in their ignorance that facts and truth no longer matter in the way of the world. And I have thoughts, as always, and I would love to hear yours, maybe call and leave a message. or hit me up on the socials.
