This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

Jared & Danni Wright - Podcasting Witchcraft & Astrology

From audio engineer to podcast consultant and coach Jared proves you can take skills you already have and use them to create part-time income.

Dani is a witchcraft and astrology instructor (yes you read that wright), and before you turn you nose up at that occupation you might want to give this episode a listen. Danni won me over and I think she do the same for you.
