This is another podcast from one of the many podcasts that I like to listen to. This one is from the I Had to Say It podcast.

Shouting out the homies

So it's been kind of a slow week, news wise anyway. But that never stopped me from having something to go off about before, and I'm not about to start now. There are some issues that I bring up that I have with a few things, then I forgot to breathe for like fifteen minutes. But lets be honest, that's what you guys generally show up for, isn't it? Anyway go do all the things, Go to the website, click the links, support the homies.
