665: Johnny Adams Talks to Jason About his New Liberty Force Comic

"

You likely know him as Johnny Rocket from The Johnny Rocket Launchpad. I know him as my friend Johnny Adams, and I wanted to have him on the show to talk about a new passion project he's been working on.

It's called Liberty Force, and it's a comic book that teaches some ideas about liberty to anyone willing to give it a read.

Johnny wrote and designed the entire comic, and it's designed for all ages. Check it out at <http://www.LibertyForcecomic.com> and buy a couple for yourself, your kids and a friend!
