This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

783: Who protects the worker

Not just any host could tie a story about a minimum wage to a story about a lemonade stand then tie both of those stories to a Brazilian trucker strike.

But I am not just any host.

So today I wanted to share some thoughts from our good friend Milton Friedman and explain why it's competition that protects the worker, not unions or the government.

Enjoy!
