This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

536: Highlights from the Ted Cruz, Bernie Sanders Debate

"

Last night CNN hosted a debate between Ted Cruz and Bernie Sanders over the future of the Affordable Care Act. Apparently, CNN liked the ratings boost it got from the presidential debates and is trying to keep the momentum going. Personally, I'd love to see more of these debates with people tuning in to hear the ideas from all sides.

I've got a lot of clips from the event and I, of course, will have plenty of witty commentaries to go along. Cruz did ok against Sanders, but he should have destroyed him. Cruz missed a golden opportunity to deal a death blow to the Sanders ideal. Instead, he only managed to score some nice sized wounds.

Thanks so much for listening and sharing. Don't forget to subscribe!!
