This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

## The Tyranny of Self-Interest

While the title of todays show may seem odd coming from a libertarian show host I think after todays episode you'll understand why. Some will say you can't have too much of a good thing but I think if self-interest deliberately harms others we have a moral responsibility to denounce it and punish the perpetrators.
