

I Had to Say it podcast - April Fools

Posted At : April 2, 2024 12:00 AM | Posted By : Jason

Related Categories: Liberty, podcasts, I Had to Say It

This is another podcast from one of the many podcasts that I like to listen to. This one is from the I Had to Say It podcast.

April Fools

This episode has nothing to do with the first of April. It has a lot to do with all the fools in this world and them having me all ranty ranty. You know the deal. Support the friends of the show, go to the shops, buy the things.
