714: Tim Donnelly on Immigration, DACA, and Taxes

One of my goals for this year is to give liberty-minded men and women running for office a platform to share their ideas.

I make no endorsements and or claims; I simply want you to know who's running in the primaries this year, so you know what your options are.

Today I've got Tim Donnelly. He's running for Congress in California's 8th district.

We cover immigration, DACA, and Taxes...all important issues to Californians.

If you want to know more, you can visit his site at <http://donnelly4congress.com>
