I Had to Say it podcast - More Mass Shootings and a Different Brew

Posted At: October 31, 2023 12:00 AM | Posted By: Jason Related Categories: Liberty, podcasts, I Had to Say It

This is another podcast from one of the many podcasts that I like to listen to. This one is from the I Had to Say It podcast.

More Mass Shootings and a Different Brew

The middle east is still doing what they do. There have been very easily predicted consequences, and the warhawks are doing what they do best. Also the E-thot industry is getting out of hand, and I have some thoughts on the matter.
