This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definitely worth a listen!

The DAO of the Nomad

"Throughout the development process for our Nomad Network community app, we've spent a lot of time thinking about what the future of the economy will look like.

As we pass through this Great Transition, advances in digital technology are turning into advances in social technology at an accelerating pace. In order to stay ahead of the curve, we've been reimagining some of our most basic assumptions about things like "property" and "ownership."

We want you guys to join us on a journey as we explore this new world.

But first, you need to familiarize yourself with two terms in particular: DeFi (short for "decentralized finance" and DAOs, or "decentralized autonomous organizations").
