This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

Danny Hudson: Building a Hot Sauce Empire from Scratch

This is an interview I've wanted to do for some time. You may remember a few months back I recorded a video of me doing my own hot sauce challenge.

(<https://www.youtube.com/watch?v=WfgbVdrsm90>). Well those hot sauces came from one of our network members, Danny Hudson.

I finally got a chance to sit down and talk with the man himself and hear his incredible journey of entrepreneurship. Enjoy :)
