I haven't Jeffrey in a few years, and it was so great to have him in the studio today.

Jeffrey is a WEALTH of knowledge on everything from Bitcoin to foreign policy, and I always learn something after talking with him.

Today we cover a variety of issues ranging from the future of Bitcoin to Trump's economic, foreign policy. I know you're going to get a lot out of it.

You can find out more about Jeffrey by visiting the [American Institute for Economic Research](#) or at his site jeffreytucker.me
