This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

630: Another Prediction Comes True

"

Repeal and replace is now finished and the Senate is having trouble mustering the votes just to bring a repeal bill up for debate.

At this point, it's safe to say the congress is incapable of functioning.

Some of you could not be happier, and under normal circumstances, I'd be right there with you. But a repeal of Obamacare and a rollback of regulation combined with tax reforms are things I'd like to see happen. The problem is, Republicans don't.

If you ever thought Republicans stand for your values of limited government and free markets the last few months should be a huge reality check.
