This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

Get Your Flasks Out: Joe Biden's Set for a Flurry of Executive Orders

"After 4+ years of antagonistic, oppositional press attacking and rebutting the White House at every turn, it's been jarring watching them pivot overnight back to fawning over their chosen candidate. Now, when they aren't gushing about Sleepy Joe's cool socks, they're talking about him as a new FDR, poised to completely overhaul the federal government within the first 100 days of his administration. When everything starts going sideways, will you be ready?"
