This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

554: Is Trump Crazy or is This the Next WaterGate?

The media is in an uproar over Trumps most recent tweets. Yes, I understand how ridiculous that is to write, but that makes it no less true.

Although Trump tweets are the main story today, I've got one that you won't see in the mainstream. It's another scandal at the ATF. This time they're running cigarettes not guns and defrauding the cigarette industry out of millions.

If I was writing a novel, I couldn't have crafted a better fiction. Unfortunately, this one is 100% accurate.

Enjoy,

Jason
