

I Had to Say it podcast - More Middle East, More Fear, More Bull

Posted At : October 17, 2023 12:00 AM | Posted By : Jason

Related Categories: Liberty, podcasts, I Had to Say It

This is another podcast from one of the many podcasts that I like to listen to. This one is from the I Had to Say It podcast.

More Middle East, More Fear, More Bull

More about the conflict in the Middle east, discussion of the fear mongering and war-hawking going on here, and more of the usual bull inbetween. Meanwhile we are just trying to live our lives and keep our heads up.
