This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

This is the Best Time in History to Be Alive (seriously)

Watching the news this morning you wouldn't think these are our best days. The big crisis today is the supreme court opinion on abortion. But we won't be talking about it much today. I did a full episode last month on my views. Here's a link to that episode.

For everyone else I want to give you some hope. I want to arm you with a weapon to defend yourself against the relentless stream of bad news we are faced with each day. I hope you'll listen and share.
