This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

### 588: Congressman Thomas Massie - America's Honest Politician

"

This may be the best show we've ever done. It's certainly the best interview I've ever had.

Representative Thomas Massie is one of the only honest men in Washington. Today you're going to get a rare look into what it's like to be a conservative in D.C.

Congressman Massie must fight not only the democratic opposition but also the leadership of his own party if he hopes to have a prayer of returning us to constitutional governance.

I cannot say enough good things about the congressman. We need more men like him. Men who not only talk about liberty and the constitution but who lay their reputation and political future on the line every day to serve both.

Enjoy,

Jason
