This is another podcast from one of the many podcasts that I like to listen to. This one is from the I Had to Say It podcast.

New Gear, New Ideas, Same Grouch

Hey listeners, big news. I got a lot to tell you about things I want to do with the show going forward, and finally have the means to do so. Also I will talk about the state of the world a little bit and some of the implications of what I think might be coming. So yeah, this will be one to listen to.
