This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

Enslaving a Nation: Jason Talks Afghanistan & US Policy

"If anyone is qualified to weigh in on the situation in Afghanistan, it's Jason. He spent a number of years there as a private military contractor, so he has unique insight into the situation on the ground.

But while everyone is worried about what's going to happen under the Taliban in Afghanistan, the powers that be are laying the groundwork for the enslavement of the American underclass.

And they're using a tool that will ensure the slaves sign themselves up for their own subjugation.
