634: Schumer Says Dems are "Namby-Pamby"

"

Apparently, the Dems think they lost the election because Americans didn't know what they stand for so, according to Chuck Schumer, they've rolled out a NEW, BRAVE and BOLD plan to win back blue collar workers.

What is this plan you ask? In short, new infrastructure spending, a raise to the minimum wage along with paid maternity leave and child care.

If you think that sounds a lot like Roosevelt's "New Deal" it's because it is. This is the same platform Democrats have run on for decades. It's not new, brave or bold. It's a retread of old ideas.
