This is another podcast from one of the many podcasts that I like to listen to. This one is from the I Had to Say It podcast.

Three years of this nonsense.

Welp, this is it. Three years of this show. It's been an interesting run. I have made some great friends along the way, learned a lot, and even had a degree of personal growth. I want to thank all of you for your continued support, both the subscribers and those of you who listen every week. Thank you for the continued support.
