This is another podcast from one of the many podcasts that I like to listen to. This one is from the I Had to Say It podcast.

SAFE-T Update, Poors in the Vineyard, and an Air Fryer

So this week there is an update about the bill that I talked about last week, I touch briefly on that. There has also been a play to send immigrants to Martha's Vineyard. It went about how you'd expect, if you are a jaded individual like myself. Then I talk about something that actually makes me happy and I hope you will be inspired to join me over on my discord server to talk about it further.
