Yes to social justice warrior himself has managed to transform his message of "tax the rich" and "greedy millionaires and billionaires" into a nice little business.

Thanks to his run for president and a book deal Senator Bernie Sanders has now earned more than 2 million dollars in the last two years.

Don't get me wrong I don't begrudge him his millions. What I find distasteful is his hypocrisy and disdain for the very system that has made him rich.

Have a great weekend everyone!
