This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

How to Start a Business from Nothing

It's a question I get constantly. More people than ever want to start a business but they have no idea how to get started. What should you do first? What's the most important things to focus on?

Then, once you've got your little side hustle going how to you begin to grow it from a small, one person operation into a legit small business?

Today I'm going to share the 7 stages of business and what you need to focus on at each stage.
