The Jason Stapleton Program - Let's Get Offensive Posted At: May 9, 2022 12:00 AM | Posted By: Jason Related Categories: Liberty, podcasts, Jason Stapleton

This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

If you had to guess, how many gender pronouns do you think there are? What about sexualities? How many different race/gender/sexuality combinations are there? In todays overly PC culture there are limitless ways to be offended. And if you can't find one that fits you exactly, just make one up.

Today I want to try and convince you that we need to be a little less concerned with the things that don't matter so we can focus on the things that do. And to do that we need to stop being so offended about...everything.
