This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

641: Charlottesville, White Nationalists, Antifa and Chris Cantwell

"

I apologize in advance for the poor audio in this episode. I don't have my system set up in the new studio yet, and I'm using a simple USB mic, and the audio is a bit poppy.

I know a lot of you are interested in my thoughts on Charlottesville and the violence we've seen over the last week.

Here are my thoughts, as clear as I can make them.

Jason
