This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

Markets Crashes, Inflation Rises. What to do Now?

While Capital Hill continues the investigation into Trump and the January 6th attack, the rest of the world is grappling with rising prices, crashing markets in one of the hottest summers on record. It's a mad, mad world out there and it seems to be getting worse.
