Review of the holsters that I own.

The holster that I bought off of e-bay was a concealedcarryconcept brand which was \$35.00 and it is made for the specific gun **concealed carry concept**

The Alien Gear holsters are also made for the specific gun. Their prices vary, but they do have excellent deals if you buy 2 holsters

Or at Amazon - **Cloak Tuck 3.0 - Alien Gear Holsters** The **Galco** one can be bought just about anywhere
