This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

## Threats to the Republic - Real and Imagined

It's one of those weeks. You know, the ones where most of the news is old and tired. Trump remains under fire from the Justice Department, Ukraine is still under siege from an invading Russian army. Inflation is still high and our nation is still heavily divided.

All that being the case, I'd like to focus on what I think are the biggest threats to the future of the Republic.
