This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

## Thoughts & Takeaways from the Presidential Debate

"The first 25-30 minutes of last night's debate was some of the most compelling TV you'll ever see. It was ratings gold. Then the moderator, Chris Wallace, stepped in and began debating Donald Trump on behalf of Joe Biden. And the final hour was a snooze-fest punctuated by occasional highlights. No one entered the night in Trump's camp and left ready to vote for Biden. And no Biden voter was convinced to vote for Trump. There were no major surprises, apart from Biden performing better than anticipated (damning with faint praise). If you didn't watch it, don't worry! We'll cover all the important takeaways for you today."
