This is another podcast from one of the many podcasts that I like to listen to. This one is from the I Had to Say It podcast.

Put em all on a raft

More of the usual. The government is full of crooks, a bunch of morons defend their sides, and we all pay the price. I, however, have an idea about how to deal with them. I get to it eventually. You want to know the plan? Go listen.

Do all the things ihadtosayitpodcast.com

Recipe this week : Spanish Tortilla.

it's probably not what you think it is.
