This is another podcast from one of the many podcasts that I like to listen to. This one is from the I Had to Say It podcast.

I HAD to HATE it

Joining me for this episode is Jake the Hater, Jake the Tail-gater, or just plain old Jake depending on where you stand, One half of the Bleach Bros Podcast. We have a lot in common and it is always great when I get a chance to talk to him. We had a great time recording this episode and I hope you have a great time listening. For a frame of reference this is exactly what it is like to hang out with me, except for I'm not feeding you.
