This is another podcast from one of the many podcasts that I like to listen to. This one is from the Jason Stapleton Program, definately worth a listen!

542: KrisAnne Hall Talks Supreme Court and Original Intent

"

With all the talk about executive orders, Supreme Court Nominees and judicial oversight I thought it would be a good idea to bring KrisAnne Hall back on the show to discuss the role of the judiciary, specifically the supreme court and it's intent under the constitution.

Most of you know who KrisAnne is but if you don't you can check out her website and podcast here.

She is a wealth of knowledge when it comes to the subject of our constitution and the history of our nation. I'm alway excited to get a chance to talk with her and today is no different.

Check out the show and don't forget to share! We need to educate our nation on our responsibilities as citizens and it starts right here with this episode.
