Yes, the saga continues. Apparently, the alleged Russian meddling in our elections is the same as the Japanese attack on Pearl Harbor and America should respond in kind.

Anyone who thinks it's just Republicans who beat the war drums needs to listen to today's episode.

MGM has filed a lawsuit against ALL victims of the shooting that left 58 dead and more wounded some months ago. Before you pass judgment, give the show a listen and tell me if you still feel outraged after you hear what I have to say.

Finally, the EU hit Google with a 5 billion dollar fine in an antitrust case. This is exactly the type of crony government meddling I've grown to despise and it's not just the EU that does it. The same thing happened to Microsoft in 1998. Listen to today's episode for all the details.
