589: The New Republican Answer to Fixing Obamacare

Just when you thought the Republican abortion to fix Obamacare was finished it finds new life with an amendment that's sure to please.

Ok, I've got not idea if that's true or not but the Republicans are touting an amendment to their amendment to Obamacare. They say this latest change may be just what conservatives need to behind it.

I've got mixed feeling about the plan, mainly because I haven't actually read it. All I've got is an outline from an article. Once there's an actual plan on paper I'll know more. Until then I'll tell you what I know.
