This is another podcast from one of the many podcasts that I like to listen to. This one is from the I Had to Say It podcast.

I'm Tired Boss

Another week, more stupidity to complain about. The Met Gala had an actual felony happen at it, nothing will come of it. The guys were all rocking skirts. And I go off on a bit of a megalomaniacal tear. The recipe this week is Asian salad with Mandarins in Chili Vinaigrette.
